The **MDF & CLAD** (smooth) range come pre-primed ready for you to add your final paint finish.

The **Veneer** range come Raw ready for you to apply your stain or finish onsite. We also provide the option for you to order with a **Clear Lacquer Finish** applied (ex factory), so they come finished ready to install.

The **CLAD Cobblestone** (textured) panel also has the option to be either **Pre-primed** or have the **Clear Lacquer finish** applied.

Visit easycraft.com.au and get inspired to start a project for your home today.

Panels include the easyjoin system

Fixing Options: See website under **Technical - expression** fixing options.
