

PATINA VIBES

Volume I & II

Ontera
A MILLIKEN COMPANY

INSPIRED. INSPIRING.

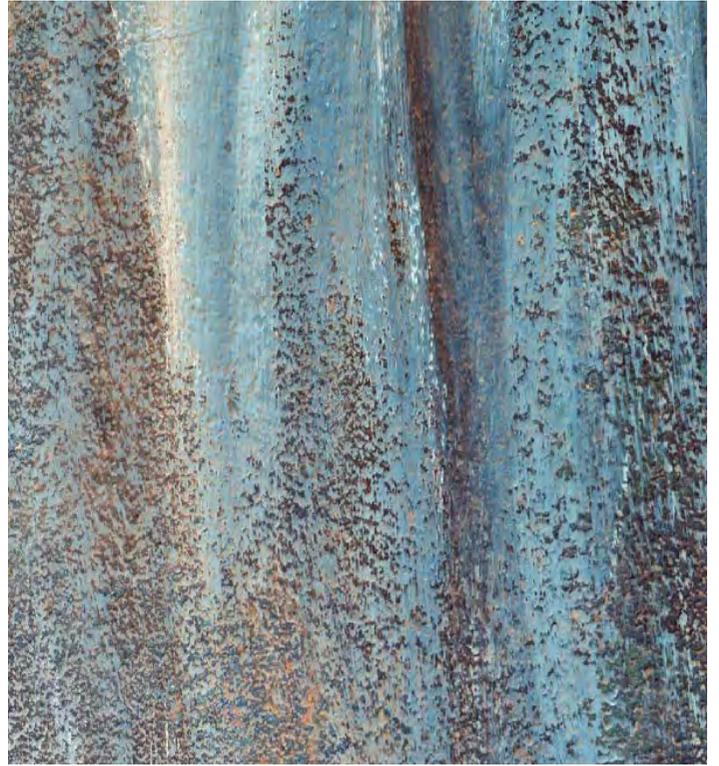

Invisible yet forceful. Silent yet welcoming. The beauty of nature at work.

Inspired by the process of atmospheric ageing that naturally occurs all around us, Patina Vibes delivers a dynamically rich colour palette balanced across an harmonious blend of textured tiles.

Designed and made in Australia, Patina Vibes will create beautiful, vibrant spaces within commercial environments. Explore the possibilities to create a Patina elegance within your own spaces.

Patina Vibes Lead Grey PAT153-118 (Bottom) and Neutral Zinc PAT154-152 (Top), ashlar tile installation

Surface Connections

Patina - Powder Blue

Fine blueish film that forms on metal when exposed to the elements for long periods - adding a textural highlight to a once flat surface.
