

INSPIRED BY EVERYDAY LIFE

C1 - Cabin Lift

C1 is our latest lift concept that comes with an even greater range of choices and design options – all to ensure your lift can be customized to fully meet your needs and blend in with your building.

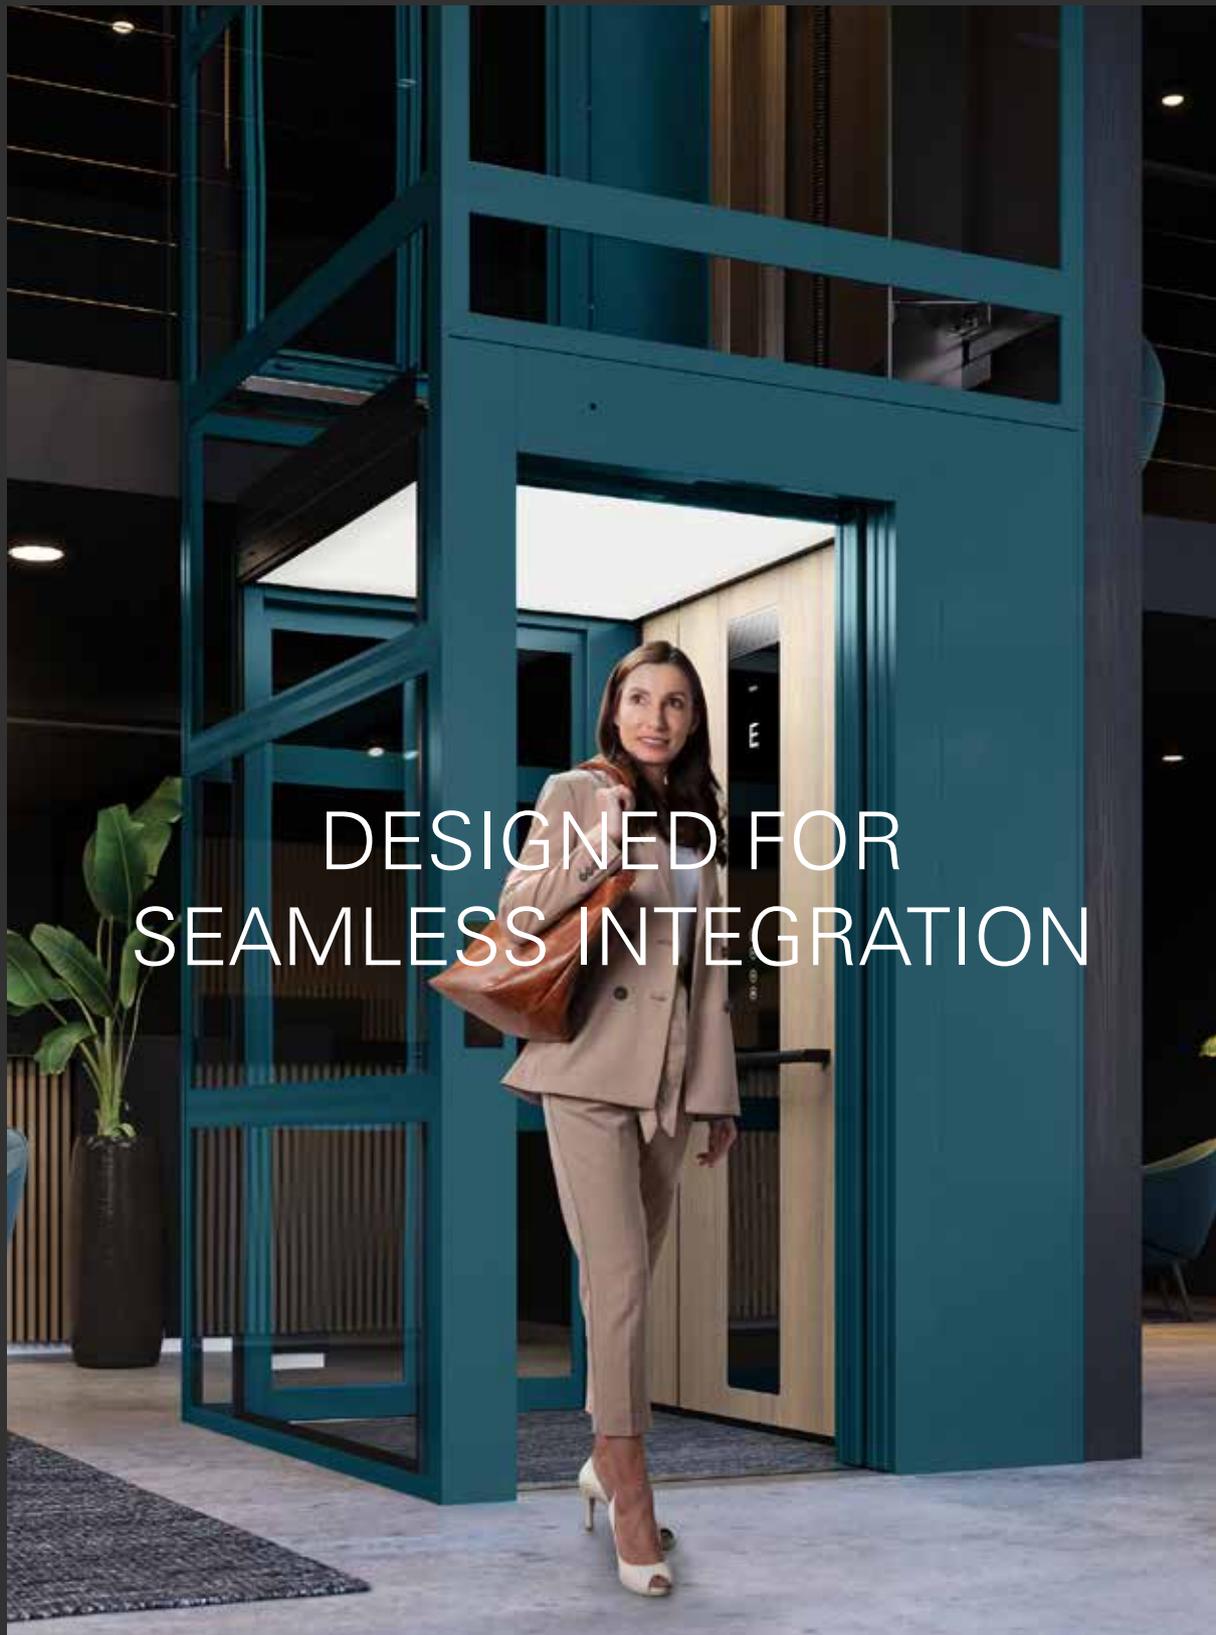

Cibes

FOR RESIDENTIAL,
COMMERCIAL & PUBLIC BUILDINGS

The C1 adapts to the requirements of your building, not the other way around. The great choice of colours, materials and features enable C1 to adjust to your needs and interior design.

The C1 is our latest lift concept that comes with an even greater range of design options. Your lift can be easily customised with various fittings, finishings and colour options to match any environment.

The C1 is a great lift solution for existing buildings. The space-saving, modular concept brings construction work down to a minimum and makes The C1 exceptionally easy to install.

The timeless design of C1 adapts to your building. The wide choice of colors, materials and cabin designs, enable C1 to blend in perfectly with the interior design of any public building, commercial property or private residence.

FLOOR

Standard carpet - Altro Walkway - Classified A+ in the Green Guide with slip resistance R10. Black 100% phtalate free vinyl.

FLOOR

Cibes offers a variation of floor options with selected patterns like Forbo Surestep Material Black Seagrass 18572.

FLOOR

All floors contain recycled material. The durable and anti-slip treated surface is suitable for public environments.

CABIN WALLS

Oak material keeps on being a trend and it has been for a while. Nevada Oak is available as an option for the cabin walls.

CABIN WALLS

Blonde wood makes your room look light, and sophisticated in a very Scandinavian fashion.

CALL BUTTON

Elegant and user-friendly touchscreen controls are available for the landings and inside the cabin.

Glass adds a touch of ethereal elegance and brings natural light into the room. The shaft, doors and cabin of The C1 are available in glass.

ADDS VALUE TO YOUR HOME

The C1 offers you the perfect residential lift solution, which integrates seamlessly with your home, adding beauty, comfort and real estate value. The clean lines and modern look of the lift blend in with the interior design of any home.

The C1 offers you the freedom to create a bespoke lift design perfectly in tune with your building. Mix different colours and materials to create a truly unique expression, or focus on just one colour to achieve a unified look.

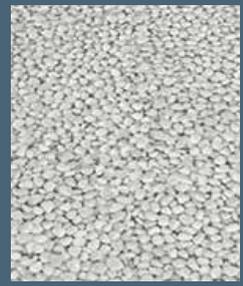

FLOOR

The floor is a key element of the overall lift design. The C1 can be fitted with the floor tiles or laminate of your choice.

FLOOR

Forbo Surestep Wood Rustic Oak 18972 creates as nice contrast to our different cabin colours or can be combined with walls in a matching oak wood pattern.

FLOOR

Add your own personal touch. We deliver the cabin without floor covering, you choose whatever floor you like.

CABIN WALLS

Brushed Argent is a metal laminate with a stainless steel look. This is a great choice for a timeless lift design.

CABIN WALLS

The Black Wood laminate is a bold and elegant choice, that will add a sense of mystery and drama to any room.

CABIN WALLS

Oyster Grey one of our plain coloured laminates. A light and sophisticated hue which blends in with most interiors.

FAST AND EASY INSTALLATION

Installing a conventional lift takes several weeks and requires extensive building adaptations. Installing the C1 takes just a few days and has minimal structural impact on your building.

All our installers around the world are certified to install our lifts and provide dedicated aftercare services according to your needs.

THE IDEAL PUBLIC ACCESSIBILITY SOLUTION

The C1 complies with European Safety Standards and is a very user-friendly lift, suitable for public establishments such as schools, museums and healthcare centres. Customizations for public buildings include push buttons with Braille.

BEAUTIFUL DESIGN FROM THE INSIDE OUT

It is the smart modular concept, the intelligent control system and unique drive system that make the C1 so easy to integrate with your building and your everyday life.
