

Louvretec has a range of over 15 Sun Louvre blades incorporating 5 operable and 2 fixed systems for a customised design approach.

A range of sliding, bifolding and hinged aluminium louvre shutters. Mix and match with louvre infills for a wide range of design options.

Louvretec gates, fences, chimney surrounds, screens and balustrades use imaginative design, and are built strong - the specialised final touch.

PRODUCT GUIDE  
OVERVIEW

DESIGNED FOR LIFE

opening roofs   
By Louvretec

Choose from 7 different opening roof styles to create extra functional outdoor space letting you set and control conditions.

the louvretec room 

The louvretec room creates a functional haven that's snug in winter and cool in summer and is complimented with heating and lighting options.

lighting  & heating 

Using Italian designed Teleco / Inlumina lighting systems Louvretec can now offer a range of lighting options developed specifically for Louvretec applications. Heating - the perfect synergy of modern design and outstanding heater performance. Strong, efficient infrared heat combined with an ultra-thin stylish design - the new Platinum Smart Heat Electric complements the atmosphere of any home or commercial environment.

outdoor blinds   
By Louvretec

Louvretec outdoor blinds help create your new outdoor room. They can be closed to keep you sheltered or fully retracted to bring the outside in.

SUNFLEX   
By Louvretec

Designed in Germany, Sunflex glass sliding doors are market leaders in both sliding and slide & turn technology. Enhance, protect and enjoy outdoor spaces without compromising the view.

retract systems   
By Louvretec

Convertible outdoor room: Louvretec's Retract product range includes: opening roofs, louvres, awnings, outdoor blinds and external venetian blinds. Available motorised.
