

Introducing Infini

FULL. CREATIVE. FREEDOM.

Infini by Atkar represents the next generation of architectural freedom. Any wood-grain, colour, logo, design or photo, or combination are now available with Atkar's industry leading acoustic products.

Architectural acoustics will never be the same.

Atkar Infini

CUSTOMISE EVERYTHING.

Everyone enjoys interesting environments.

With endless possibilities, it is now possible to make every wall, every ceiling, and every project, completely unique.

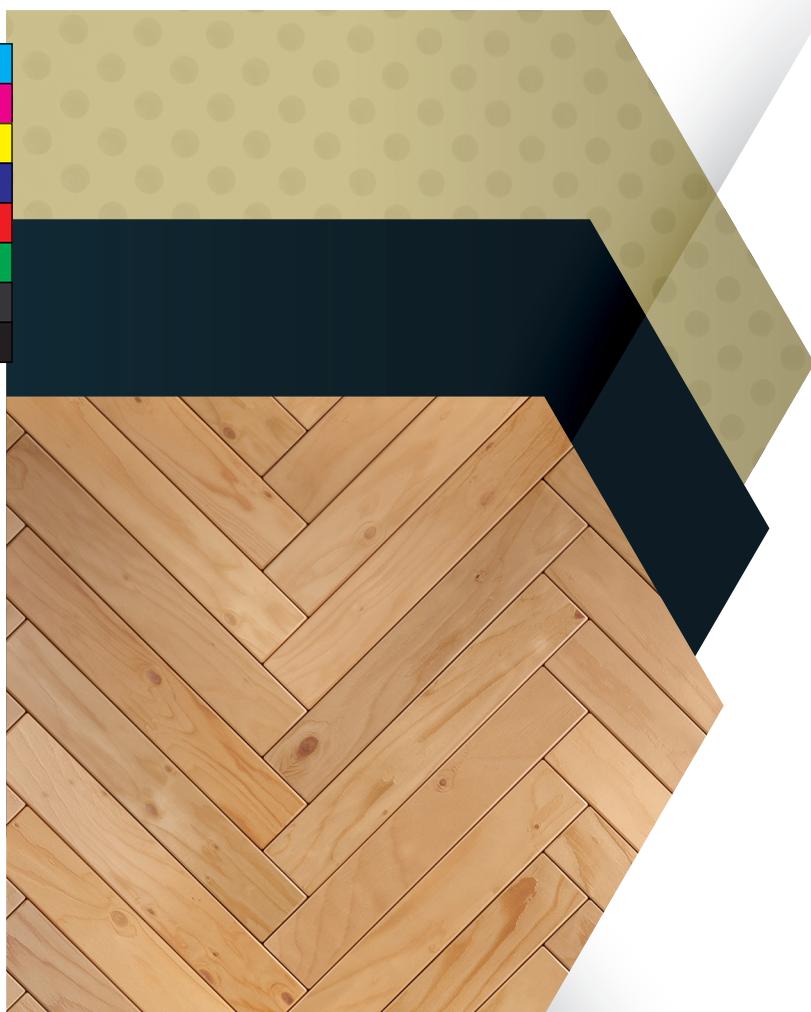

Design with freedom of shape, colour and texture.

Creative Freedom.

- Branding
- Digital designs
- Natural finishes
- Stone & Concrete finishes

Enjoy the benefits of Atkar's acoustic panels with fire-ratings, seismic data, and tried-and-tested installation options.

Nothing quiet like Atkar.
