# VENETIAN PLASTER<sup>™</sup>

Collection

The Venetian Plaster Collection blends traditional artisan craftsmanship with contemporary style to deliver truly distinctive and unique finishes suitable for both residential and commercial settings. Smooth and cool to the touch, the colours and finishes crafted by hand make every wall an individual work of art.

Ranging from the natural beauty and charm of Marmorino Naturale to the highly polished elegance of Polished Stucco, the dramatic and timeless appeal of authentic polished lime plaster is captured and recreated in the Venetian Plaster Collection.

# Select your finish

 <p><b>Polished Stucco</b></p>	<p>The timeless beauty of Polished Stucco creates a luxurious finish with an unrivalled depth and richness of colour. The glass like lustre is crafted in 3-4 layers which is further enhanced by a specialty wax polish.</p>
 <p><b>Marmorino Fine</b></p>	<p>Produces a classic natural mineral look with a glossy finish yielding a multi coloured marble like effect. Similar to Polished Stucco but more forgiving to finish in 3 layers. The finish is glossy and smooth to touch.</p>
 <p><b>Marmorino Naturale</b></p>	<p>A more subtle feature finish with designer style. Marmorino Naturale creates a level of intrigue equally at home in classic decor through to contemporary commercial spaces.</p>
 <p><b>Marmorino Carrara</b></p>	<p>Natural beauty created from a fusion of ageless lime and marble highlights. Marmorino Carrara adds texture with a depth of colour and mineral variation from soft and subtle tones through to feature effects.</p>
 <p><b>Tonachino</b></p>	<p>Individual style and creativity inspired by the look and texture of natural stone. Tonachino offers a world of possibilities from subtle to feature texture styles like Dragged Travertine and Cracked Stone.</p>
 <p><b>Concrete Stucco</b></p>	<p>Creates a contemporary urbane style simulating the natural look of polished concrete. Concrete Stucco delivers a rustic tactile finish for a modernistic space. Factory tinted in Light Grey and Grey.</p>
 <p><b>Raw Concrete</b></p>	<p>Creating a modern industrial feature finish, simulating the natural matt look of raw concrete, ideal for commercial spaces. Factory tinted to a natural raw concrete light grey.</p>
