Your insight, our experience

A breakthrough approach to success

Electrolux Professional has listened to **customers like you** and developed a solution that's faster and better than ever.

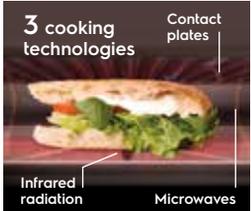

From Customer Insight to Excellence Inside, here is your premium solution:

Peerless cooking performance Triple Play

UNIQUE
in the industry

Chef-worthy snacks thanks to the combination of 3 cooking technologies: **contact plates, infrared radiation and microwaves.**

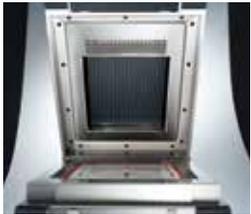

An intelligent press Perfect Squeeze

The upper **plate settles** automatically on your food with just the **right pressure.** Say goodbye to sandwiches that are overly flattened or not crispy enough.

Worry-free finish Has Your Back

Press the button and your job is done: **the lid will rise automatically** when your snack is ready.

Inspirational interface Idea Matcher

With SpeedLight, you can let your imagination run wild thanks to the variety of **customizable cooking programs** that start with the press of a button.

Speedelight: the game changer

► **Fast**

Speed is the key to letting you grow and stand out above the rest, by keeping customers happy even during the lunch or dinner rush.

► **Flexible**

Whatever your niche is, Speedelight makes your business stand out with an amazing variety of menus, from sandwiches and bakery items to delicious gourmet food, fitting the cooking chamber dimensions.

► **Easy**

There's no time for complicated tricks: your staff needs a high-tech solution that makes the workflow smooth and simple.

► **Smart**

Enjoy non-stop interaction with your sister outlets and use data to improve your performance.

SpeeDelight: 360° innovation

In a class of its own with these exciting features:

Green technology

The exclusive **Energy Saving Mode** is good for the environment and your bottom line. Be green and close the lid when the stand-by notification appears: **SpeeDelight will consume 60% less energy!**

Easy to service

Quick access to inside components makes maintenance a snap with an on-site visit from one of our thousands of professional technicians. **Safe and practical to use, safe and practical to maintain.**

Streamlined and ergonomic

SpeeDelight is quick to set up and requires no ventilation hood or extra space on the sides. That means **you can put it anywhere on your countertop!** Its ergonomic features include smooth edges, stable handles, a self-regulating lid and extra-large display.

24/7 smart connection

SpeeDelight is so much more than a standalone machine: it integrates perfectly with your outlet management system so you can use data flows to your best advantage.

Imagine you own a Quick Service Restaurant chain: thanks to the USB port and wifi capability, **you can track, upgrade and share cooking menus using any mobile device**; enjoy remote interaction concerning recipes, programs, and performance; and monitor any warnings or malfunctions. Keep your outlets in the loop, whether they're across town or across the ocean!
