

# Case Study

# INEX>RENDERBOARD™

## A Winning Recipe

PROJECT: **Mamasan Kitchen & Bar, Broadbeach, QLD**

WHAT: **Asian Fusion Restaurant**

WHEN: **September 2015**

PRODUCT: **INEX>RENDERBOARD** used as a substrate for natural rendering.

BUILDER: **Hammer Brothers 1300 HAMMER**

ARTISAN: **Bruce Allen 0411 498 682**

RENDER: **Rockcote Marrakesh 1300 736 668**

Mamasan Kitchen & Bar aim to provide top quality modern Asian cuisine to the Gold Coast. A discriminating clientele require high quality and environmentally aware dining surroundings.

This was achieved by partnering with Rockcote, using their Marrakesh product to produce a Moroccan plaster look, over a base of **INEX>RENDERBOARD**. This was finished with natural Black Soap for water resistance and maintenance.

**INEX>RENDERBOARD** was used for the walls. The bar was also constructed using **INEX>BOARD** materials.

“**INEX>RENDERBOARD** is a perfect substrate for the Rockcote natural material range.”

Tony Thorogood (Rockcote)
