

Product Data Sheet

DesignLite

Type/Item No: LED T8 Linear Tube

Features:

T8 LED Tube

- Energy saving up to 60%. Beam Angle 120Deg.
- No UV or IR radiation, no mercury.
- Very low maintenance. Low heat.
- Auto-adjusting LED brightness for energy saving and degradation.
- No fluorescent flickering.
- No humming and instant start.
- Average rated life 30000hrs
- Non dimmable

Class:

1

IP20

Colour:

White

Lamp:

Gear:

Built-in electronic components

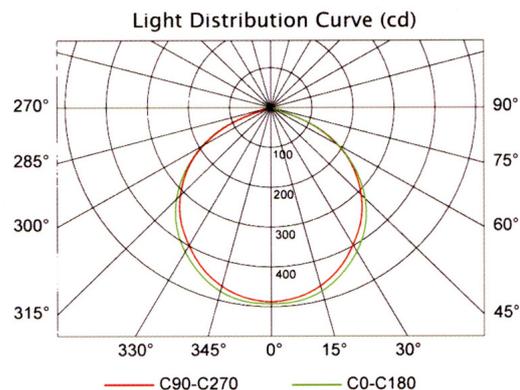

SAA approval:

T8 LED Tube

Energy saving up to 60%. Beam Angle 120Deg. No UV or IR radiation, no mercury. Very low maintenance. Low heat.

Auto-adjusting LED brightness for energy saving and degradation. No fluorescent flickering. No humming and instant start.

Average rated life 30000hrs

	Length	LED Chip	Base	Input Voltage	Colour Temp	Lumens	Power
LEDT8-2	600mm	3528SMD	T8	240v	3000K-4000K	800lm	9w
LEDT8-3	900mm	3528SMD	T8	240v	3000K-4000K	1100lm	12w
LEDT8-4	1200mm	3528SMD	T8	240v	3000K-4000K	1750lm	19w
LEDT8-5	1500mm	3528SMD	T8	240v	3000K-4000K	2200lm	23w
