# 901/902 STAINLESS STEEL GRATED CHANNEL

The details that make the difference.....

# CLASS A STAINLESS STEEL DRAINAGE CHANNEL

SAB900 Elite Range has been developed for the high end architectural market incorporating a 304 Stainless Steel Wedge Wire heel guard type grate design that is both stylish and appealing while still being able to meet the requirements of the industry. The 901 wedgewire grate features a lockdown mechanism & is heel guard, ensuring no heeled shoes, pet paws, bike/skateboard wheels are caught. The lockdown secures the grate from rattling & unauthorised access.
